

School Brochure 2023-2024

Growing

Successful Futures!

38 Sheffield Road, Killamarsh, Sheffield, S21 2EA
Phone: 0114 2486277 Email: info@killamarsh-jun.derbyshire.sch.uk

Dear Parents and Carers

This brochure offers information that we hope will be useful to you as you and your child joins our school. A copy of it is available on our website.

My name is Ian Smith and I'm the Headteacher. I have thoroughly enjoyed the rewards of working with the children and community of Killamarsh. We are a constantly improving school that secures good progress with children through high quality teaching and learning, a relevant curriculum that is built around children's needs and robust leadership. We are proud of the children's progress and aim to accelerate this further in the coming year.

Killamarsh Junior School is an exciting place to be and children and parents alike enjoy the progress the pupils make through an engaging and enterprising curriculum. There are lots of opportunities to visit school and see, first-hand, how your child is progressing so I hope to see you soon. Should you have any questions or comments, do not hesitate to contact me or any of the staff at school, we want to continually work with you to ensure we all provide the best care and education for children.

Our vision is **Growing Successful Futures** for all children.

DESCRIPTION OF THE SCHOOL

We currently have 121 children in school, aged 7-11. The vast majority of our pupils transfer from Killamarsh Infant School (directly opposite us) with whom we have a strong partnership. At the end of Year 6 most children transfer to Eckington Comprehensive School or another nearby secondary school of their choice.

Killamarsh Juniors was formerly a secondary school built in 1927. We have plenty of space for children to learn and enjoy growing. The school is built as a rectangle of corridors surrounding a lawned garden, which contains trees, flowerbeds, seating and shade. Nine classrooms, a computer suite, offices, a library and hall open onto the corridors. To the front of the school is a lawn, shrubbery and car park. Behind the school there is a large playground with a Trim-trail, Jungle Gym, seating, stage and large playing field.

Calendar

	TERM STARTS	TERM ENDS
AUTUMN TERM 1 2023	Monday 4th September	Friday 27th October
AUTUMN TERM 2 2023	Monday 6th November	Friday 22nd December
SPRING TERM 3 2024	Monday 8th January	Friday 16th February
SPRING TERM 4 2024	Monday 26th February	Friday 28th March
SUMMER TERM 5 2024	Monday 15th April	Friday 24th May
SUMMER TERM 6 2024	Monday 3rd June	Friday 23rd July

Bank Holidays

25th, 26th December 2023 & 1st January 2023 (Included in Christmas Holidays)

29th March & 1st April 2024 (Included in Easter holidays)

6th May 2024

27th May 2024 (Included in May 1/2 term holiday)

Inset Days (Children Not at School)

Monday 4th September 2023

Monday 6th November 2023

Monday 8th January 2024

Thursday 28th March 2024

Monday 3rd June 2024

Killamarsh Junior School is a vibrant centre of learning, nurture and improvement. Meeting children's needs and extending their potential is what drives us daily! The new National Curriculum is brought to life through exciting relevant themes and children enjoy growing and maturing in a safe, supportive and challenging environment!

At the core of children's learning are Enterprise skills that they will develop and use for the rest of their lives to ensure success, whatever the future holds. (See p11 for further details)

From September 2022 we have 123 pupils on roll. The children have been arranged into 5 classes as shown in the table below.

Year	Class Teacher
3/4	Mrs Nunnington/Mrs Guest
3/4	Miss Davis
3/4	Miss Alldread
5	Mrs Etherington
5/6	Miss Gardner/Mrs Taylor

PPA is non-contact time that teachers have for Planning Preparation and Assessment and is half a day per week. At these times another teacher takes the class which will often include PE, Music and French lessons.

Teaching and Learning Assistants are an important and valued part of the learning support in our school! : Mrs Cotton, Mrs Turner, and Mrs Windle all work part-time to support groups and individuals, as well as providing general learning support.

The School Day

8.30	Staff on duty in playground
8.40	Registration
8.50	Lesson 1
09.50	Morning break
10. 05	Lesson 2
11.05	Assembly
11.20	Lesson 3
12.00	Lunch break
13.00	Reading
13.15	Lesson 4
14.15	Afternoon break
14.30	Lesson 5
15.20	School day ends

Lessons 1 and 2 are for the development of children's English and Maths skills.

Attendance

If your child is ill or cannot attend school please could you phone to let us know straight away. If we do not hear from you and your child isn't here we'll ring to make sure they're safe and record their absence. The school contact details are below.

Good attendance is vital for children's development and in preparing them for later life. We will work with you to ensure your child has the best opportunities for a consistent education.

The more your child attends the more they will learn! The national average, and our minimum expectation is 96% . Persistent absence or absence for holidays in term time is likely to result in a penalty notice and a fine from the Local Authority

For further details see our attendance policy and guidance on the website at www.killamarshjunior.com/attendance-1/

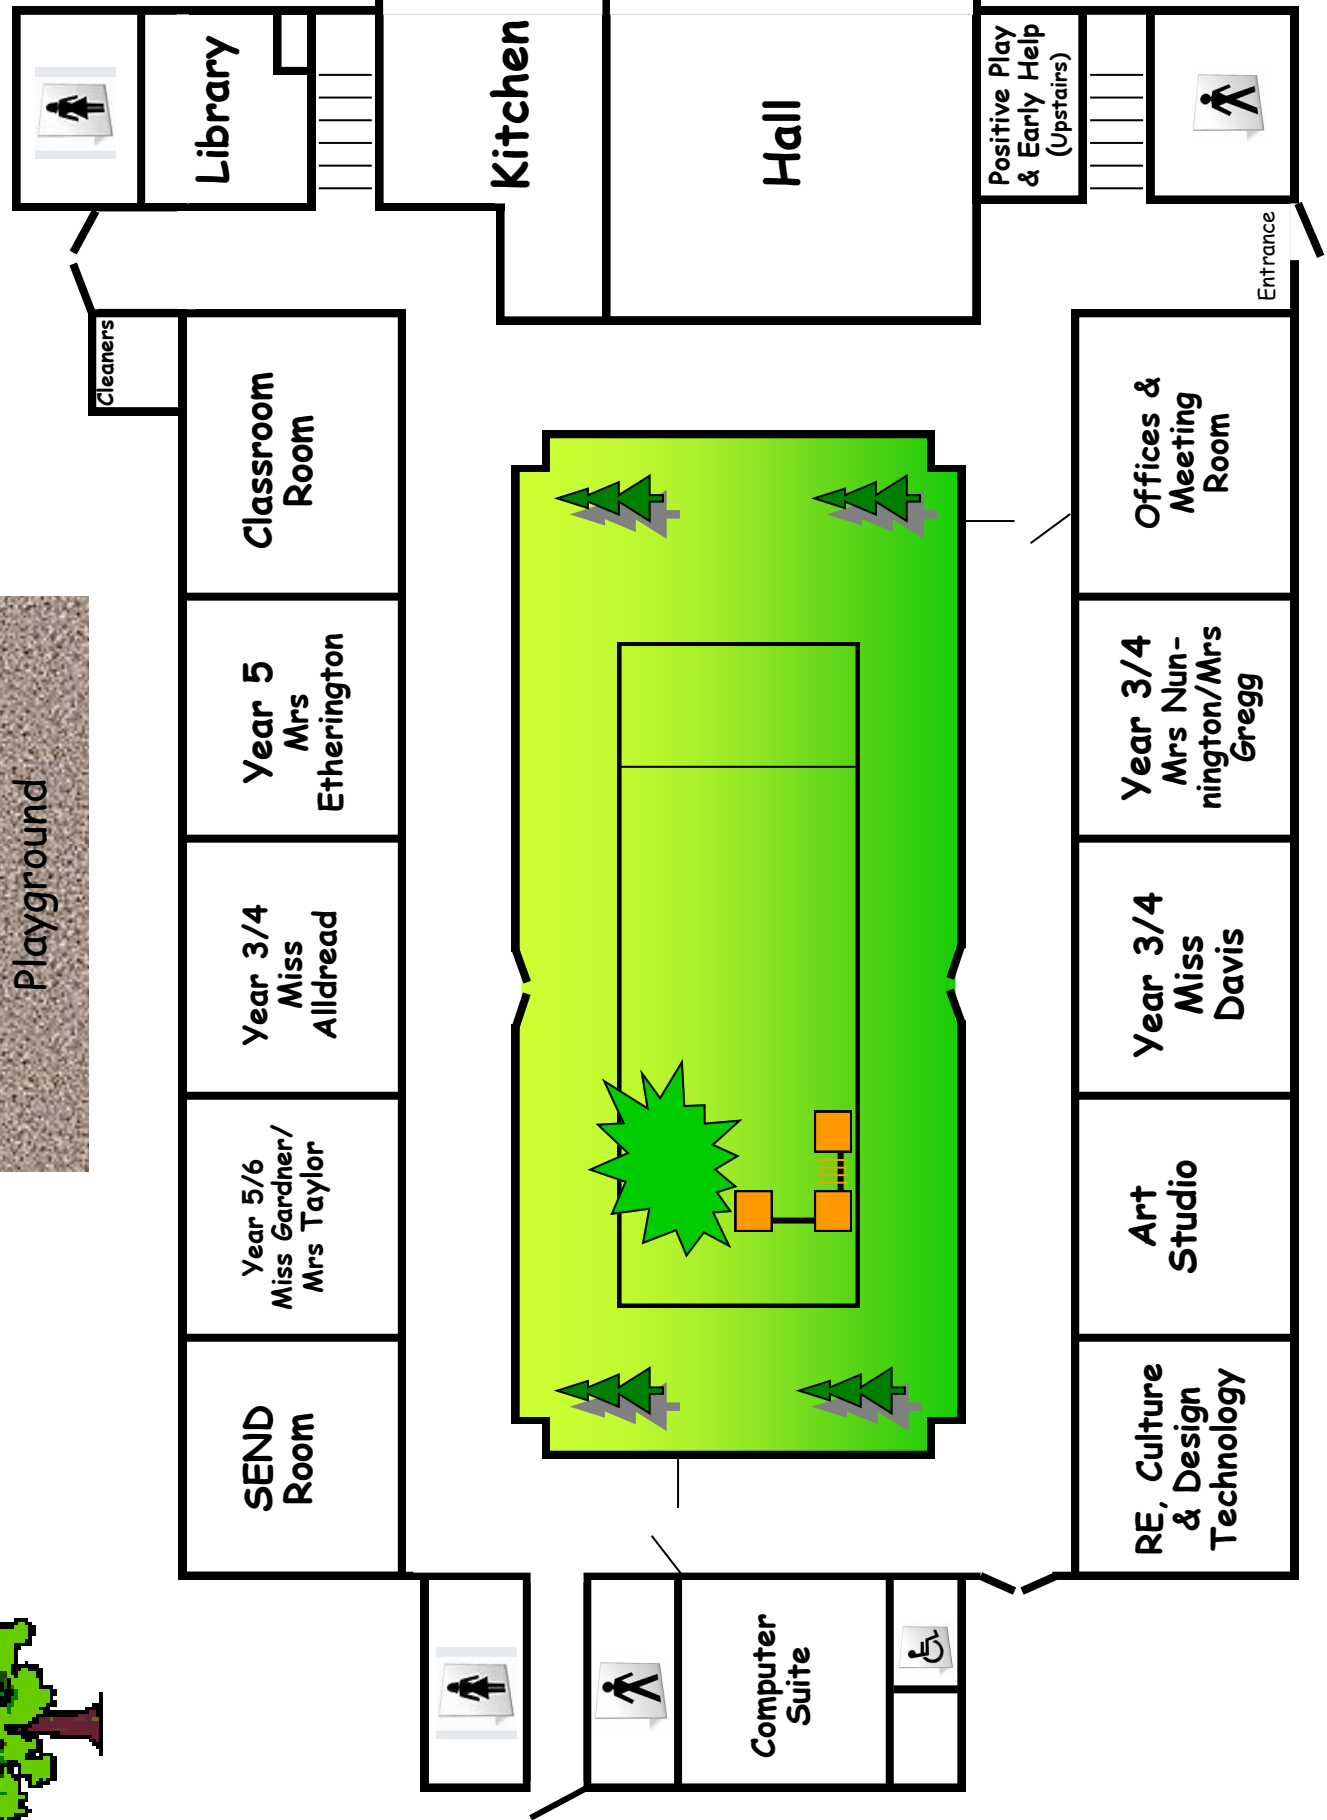

We are here to help

6

Below is a list of the responsibilities of our teaching staff and other key personnel. Please feel free to contact them with any relevant enquiries. Mr Smith can be found to the left of the main entrance. Please use the map on the next page to find other staff and to find your way around school. There are also photos on the school website to help you identify staff.

Responsibilities	Staff Member
Headteacher: Designated Child Protection / Safeguarding Lead (DSL) Children in Care Lead.	Mr I Smith
Assistant Head: SEND,, Anti-bullying, Deputy DSL	Mrs V Etherington
Maths & Reading	Miss V Gardner
Geography and History	Miss H Alldread
Computing and Co-leading of Music	Mrs C Nunnington
Science and Art	Miss A Davis
Design Technology	Mrs Taylor
Physical Education	Mrs Taylor
French and Co-leading of Music	Mrs C Guest
Religious & Cultural Education	Miss H Aldread
Data Protection Officer	GDPR for School, Derbyshire County Council
Other Key Personnel	
School Business Officer:	Mrs C Timms
School Business Assistant:	Mrs L Goonan
Site Manager:	Mr D Hawley

Type	Governors To contact governors please call/email the office and they'll back to you. (Also see www.killamarshjunior.com/meet-the-governors/)
Chair of Governors (co-opted)	Elisa Chesterton
Vice Chair (Co opted Governor)	Lunn Sargeant
Parent Governors	David Hattersley Chris Cotterill
Staff	Vicki Etherington, Ian Smith (Head Teacher)
Clerk to Governors:	Claire Timms

Curriculum & Learning

At Killamarsh Junior School, our vision is to **Grow Successful Futures** for our children.

We want children to be ready for their next steps and adult life. The world of work, services and technology are all changing rapidly and this will only accelerate, so it is important to teach children core skills that they can develop and apply now, in their next steps and as adults.

We want children to develop skills and use knowledge that will support them being successful, regardless of the type of work they go on to do, the available tools and technology or the environment they live and work in. All these elements will change and children need skills and understanding that will help them continually adapt.

Many of these skills are encompassed in the **Primary National Curriculum** alongside **key knowledge** that will support children to understand the world around them and feel equipped to take on challenges and roles, as they get older. Our school **uses the National Curriculum and Derbyshire agreed syllabus for Religious Education as a framework** for teaching to ensure children have a breadth of learning opportunities, routes to make progress in the different curriculum areas and to promote spiritual, moral, cultural, mental and physical development.

At KJS we want **no less than 5 A's** for all children:

Aspire to succeed

Actively learn

Apply learnt skills

be **Aware** of others and issues

Achieve well

Our curriculum is designed to ensure learning is relevant, stimulating and purposeful. It combines the teaching of skills and knowledge in the national curriculum with a focus on **Enterprise skills** to ensure children succeed. Enterprise skills are woven into our curriculum so children understand the purpose of their learning and how they can apply it, as they get older.

Curriculum & Learning

We focus on the **“Big 13” enterprise skills** as children learn within curriculum areas, through discreet enterprise activities or through special projects that the children plan and lead for parents and the community. Helping children understand and develop these skills will help them to realise the relevance of their curriculum and better prepare them for a successful life in an ever-changing world.

For example, a Maths lesson about solving problems with money is signposted as Financial Literacy and teachers will highlight how this will help children make informed decisions about how to spend their pocket money, consider the benefits of saving or later in life manage a household budget.

Some of these enterprise skills have been highlighted as being the **most important to our parents and community** in our recent survey: such as **Positive Attitude** and **Leadership**. The most frequently highlighted skills were **Resilience and Dedication**, which link to the above enterprise skills but also to **Risk Taking** and **Initiative**.

We deliver our curriculum through **a theme for each ½ term**. (6 themes per year) These are usually linked to national curriculum areas of learning – e.g. Science, Geography or History, but vary from year to year to ensure children are engaged and the themes are relevant. This helps children to link learning to how they can apply it. We encourage children to **share and learn from each other** as they learn, including with other classes and year groups, so an umbrella theme comprises key skills and knowledge that all children will be focussing on while 2 sub-themes will allow children to focus on the curriculum areas they need to develop in that term. (See our Term Curriculum and Learning pages for examples)

British and Shared Values are often a common thread through the whole school's curriculum theme. Through the curriculum, we teach children about values that our nation, and many others, promotes and upholds to ensure successful, happy and effective citizens and communities:

Democracy,

Rule of Law

Liberty

Respect,

Understanding and tolerance

Curriculum

English

Approximately 1 hour each day is allocated to English, which encompasses reading, writing, spelling, grammar, speaking & listening. A range of texts and genres are covered in each year group allowing for continuity and progression.

Maths

About 1 hour each day is dedicated to Mathematics.

Arithmetic, Problem solving and reasoning are taught in relation to focused work on number, shape, data, space or measures.

Science

A range of scientific topics are investigated. Pupils have the opportunity to experiment, observe, collate results and draw conclusions from different scientific phenomenon.

Computing

A weekly session of Computing to develop key Computing and IT skills. Other sessions in the suite are used to support the other curriculum subjects. IT is also used in the classrooms daily. A set of I-Pads are available for class use, Interactive whiteboards are used daily in class.

RE

All the major world religions are studied at Killamarsh Junior School and taught in our RE Culture room. Collective worship draws upon aspects of religion, sets targets for children and usually includes singing and prayer.

If you wish your child to be excluded from aspects of RE or collective worship you must write to the Headteacher or Governing body of the school.

Foundation Subjects

Other curriculum subjects that form the broad curriculum include

- ➡ **Geography**
- ➡ **History**
- ➡ **Art & Design**
- ➡ **Design Technology**
- ➡ **Music**
- ➡ **French** (Modern Foreign Language)

All the above will be taught within the framework of Themes. Lessons may not always be discrete subjects. For example children may use English and Geography skills all in one lesson but there is always a key learning focus. This can help children understand the relevance of skills and give them more opportunities to apply their learning!

For more info. about the curriculum and progress in each subject, check out the curriculum page of our website. www.killamarshjunior.com/topic/curriculum

Reading

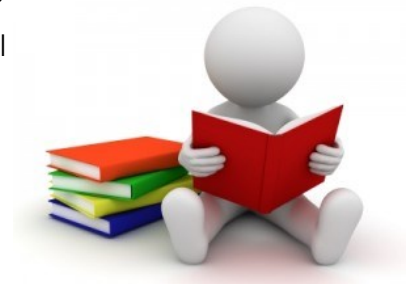

We want to continually raise the profile of reading in school to

- enthuse children to read more and
- involve parents further with children's reading.

In school your child will have different reading activities every day in addition to reading in their English work.

At home we expect that children read at least **3 times a week** to support their progress in school. This reading should then be recorded in their planner. This is a **#KillamarshCares** expectation because we know that, if children are to make good progress, they need to practice skills and develop **Reading Stamina**

Because **#KillamarshCares** any child who is unable to read at home 3 times a week will be supported to achieve this in school.

Handwriting

We have adopted a handwriting policy with a style of cursive writing. This section of text is all in the style of writing we are using. All children will be taught to use this, from entry into our school

It is a good tool for children to show pride in their work and presentation and will ultimately speed up their writing, too!

We have an excellent school website offering lots of useful information.

Regular visiting to the News & Events and the Parents pages are great ways to keep in touch with what's going on in school. **Also keep an eye on the scrolling banner at the top of the page and the Notices for important updates.**

Website: www.killamarshjunior.com

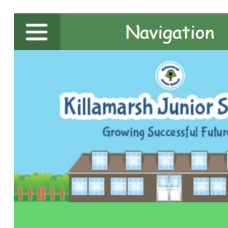

News & Events: Latest news, Newsletters and the Calendar can be found here.

Parents: Curriculum, Useful Info., Policies, Safeguarding, SEN, Pupil support & more.

Children: Includes Class Pages that will be developed over the year, Home Learning Page, Kids Zone -with links to educational and fun resources and a Gallery of children's work, achievement and events

Please Bookmark it on your phone! →

It automatically adjusts to be a handy **App-size**.

Wider Curriculum

At Killamarsh Junior School we encourage and support a variety of clubs and activities at different times of year. These have included:

- ★ Football
- ★ Netball
- ★ Reading Club
- ★ Art Club
- ★ Cooking Club
- ★ Table Tennis Club
- ★ School Choir
- ★ Gymnastics

We also enrich our curriculum with

- ◆ School visits (e.g. Creswell Crags, Yorkshire Wildlife Park, Eyam)
- ◆ Visitors to school (Fire service, story tellers, theatre companies, Vets)
- ◆ Themed Days (Wild West, Ice Age Survival Day, Greek Day, etc.)
- ◆ Workshops (Dance, Drama, Music, E-safety)

Activity Residential Visits.

In Yr. 4 and 6, pupils are encouraged to take part in a residential visit with outdoor with problem-solving activities . These visits help build vital team skills and broaden their network of friends which in turn has a positive impact on their learning.

Breakfast Club

Why not make use of our Breakfast Club that runs every day from 7.30am—8.30am. Breakfast and supervised activities for only £4.00 a day.

Explorers After School Club runs from the Infant School and prices start

from £6.50 for 3:20pm - 5:00pm including a snack & a drink. Ask for a form from the office :-).

What do I do if.....?

?	My child is going to be late to school or absent	Ring the school and leave a message by selecting option 1 then make a note in the planner
?	I think my child should have Free school meals	Please collect an application form from the office.
?	I have a query regarding my child's learning	Please see the class teacher
?	I'm worried about behaviour that's affecting my child	Please see the class teacher
?	Worried that my child might be being bullied	Please see the class teacher or the Headteacher
?	Would like to help in school or share my experience	See your child's class teacher or Headteacher.
?	My child doesn't understand their homework	Please see the class teacher who will explain how to support your child.
?	I have a concern or question about school procedure	Contact the Headteacher or member of the Senior Management Team
?	My child needs special provision or care	Contact the Headteacher or Mrs Etherington
?	I'm worried about a child's immediate safety .	Contact Mr Smith or ring 01629 533190 for support

In most cases the **class teacher** will be able to answer your queries. If that is not the case then please contact the **Headteacher or** member of the **Senior Management Team** who will be happy to help.

ENJOY CHALLENGES
& QUESTIONING?
TEAM PLAYER?

We have a strong team of Governors who work hard to ensure the school is effective for children. Why not join us, we have 1 vacancy at the moment. Please see 'We are Here to Help' (page 6) for a full list of Governors.

- At least 6 times per year we meet to evaluate the effective running of the school
- We are given reports on children's progress, finances, staffing & development of the school
- We visit the school to see progress in action
- We plan with the school to improve and enhance its work
- We make decisions about the strategic direction of the school with the Leadership Team.
- We support, question and challenge the schools action.

The School is currently a Requires Improvement School (Ofsted October 2022) but has recently had a monitoring visit (January 2024) where the school was said to be:

Leaders have made progress to improve the school, but more work is necessary for the school to become good.

Please see the following link for the schools Ofsted Reports and Monitoring Visits:

<https://reports.ofsted.gov.uk/provider/21/112578>

Uniform

We believe as a school that the wearing of uniform helps children identify with the school and helps prepare them for a learning day (different from the weekend). For this reason we also ask children not to wear make-up at school. It can also help by freeing them from the worry of what to wear each morning and whether their clothes are the same as their friends or not. Hopefully it can also be cheaper for you as parents too, as most supermarkets stock uniform at cheap prices.

The school's uniform is as listed below. .

Uniform

Skirt or Trousers	Black or Dark Grey (plain)
Polo Shirt (with Collar)	White (plain or school\logo)
Sweatshirt, Jumper, Cardigan	Navy Blue (plain or school logo)
Dark shoes or black trainers. (without bold logos)	

PE Uniform

T-shirt, shorts, plimsolls/pumps.
 Trainers (for outside only)
 Tracksuit or similar (optional for colder weather)
 No jewellery can be worn for PE lessons.

If you haven't already ordered school uniform with the logo on it please enquire at the school office.

School Dinners

17

High quality, healthy, balanced school dinners are provided at the school from our new kitchen. Our Kitchen achieved its **Fifth Gold Award last year** and a spot check rated the top score of 5 stars for Health and Hygiene again! Menus are circulated each term, giving you time to plan when you want your child to have dinners. Parents are asked to pay for dinners via Parent Pay as we no longer accept cash in school.

Free School Meals

Parents who think that their children may be entitled to free school meals should contact the school office for a form. This could also mean **extra funding to support your child in school so its worth checking!** Please note that children having free school meals are entitled to a free packed lunch if they are going on a school visit.

Packed Lunches

Tables are set out in the school hall for children who choose to eat a packed lunch. Children eating packed lunches are not allowed to bring glass flasks or hot drinks for safety reasons.

Healthy Eating

Children are asked only to bring Fruit or Healthy snacks for break. This initiative came from the school council's work and there is currently a healthy tuck shop that runs daily – all items are 25p or less.

Water Bottles - Healthy Brains

Did you know... just 1% dehydration can mean you lose 10% concentration and most of us don't feel thirsty until we are over 2% dehydrated! We encourage children to regularly sip water whilst at school. **When your child joins our school they will be given a free water bottle**, paid for by the PTA. They can top up their bottles at the chilled, filtered water stations in each class. These bottles are dishwasher safe and we encourage children to take them home for cleaning at least once a week. Replacement bottles and caps can be bought

Good Attendance is really important not just in school but later in life too.

18

We will work hard with you to ensure children attend well, get the most from their learning and develop good habits for adult life. Children in our school get very excited to be nominated best attending class of the week, which is great to see!

Attendance in our school has improved and we are very grateful to parents for supporting us in this. We do need to further reduce unauthorised absence and so the Governing Board decided this year to enforce part of our attendance policy to reduce and discourage holiday absence. (The attendance policy can be found below.)

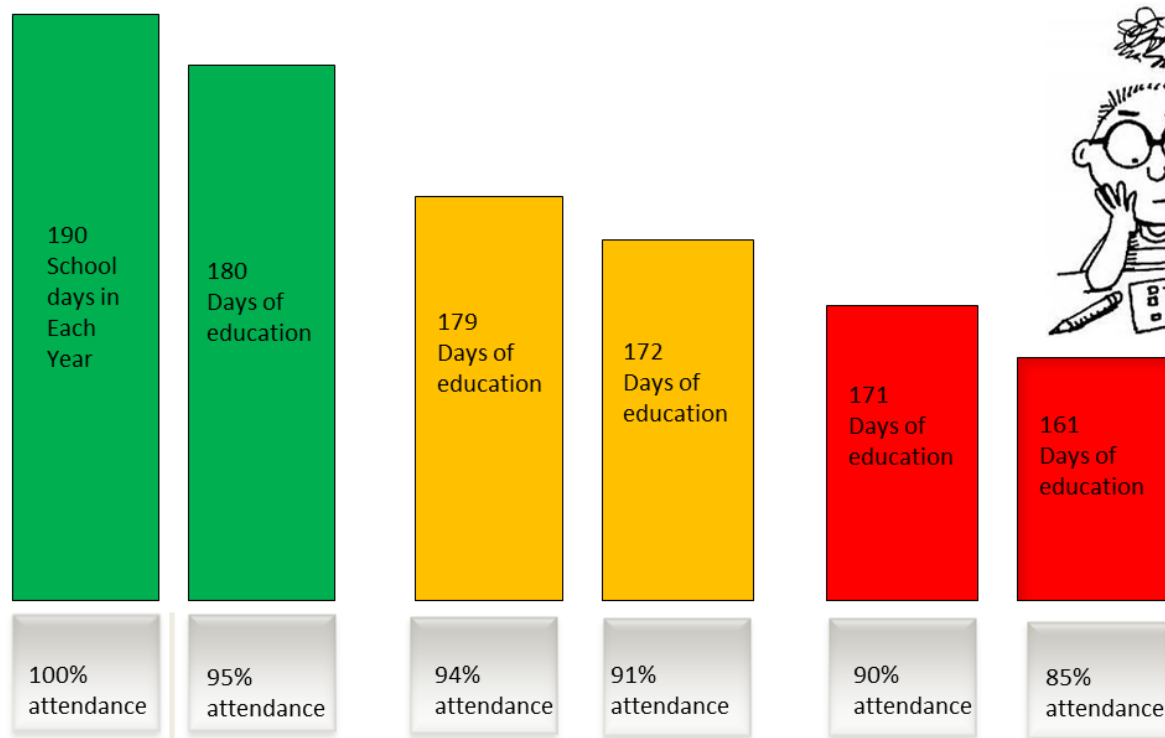

Any holiday request that is not authorised as an exceptional circumstance by the Headteacher will be referred to the attendance team at the local authority who may choose to issue a penalty notice and fine parents. If this happens repeatedly (or if parents don't pay fines) the local authority may also take parents immediately to court.

Please help us improve children's attendance and help you avoid the above action by not taking holiday in term time. If you do need to take your child out of school during term time for exceptional circumstances please ask the office for a leave of absence at least 2 week's before the leave/absence is required and we advise parents not to book holidays until they have submitted this form and had a return letter from the Headteacher.

See the below chart and our **Attendance Policy and guidance** on our website for further information. <https://killamarsh-junior-school.secure-primariesite.net/>

175 non school days per academic year for family time, visits, holidays and shopping

190 school days per academic year

Best chance of success

Less chance of success

Rewarding Excellence

- ♦ I work hard to achieve my best.
- ♦ I show respect and demonstrate British Values
- ♦ I follow instructions & guidance.
- ♦ I take care of property.

These are the **4 expectations** we have of children. They encompass all we expect and want our children to achieve. An aspect of 1 of these expectations is the focus of Monday's assemblies. A target will be set for individuals, groups or classes to achieve. This provides a focus to the week and is rewarded on a Friday in assembly, usually by certificates.

A copy of the **Rewarding Excellence Poster** is displayed in the classroom with children's laminated names/symbols around it. This signifies that the child is achieving the expectations. If a child fails to meet one of the expectations then their name is moved away, as a warning, or removed from the board if they continue to not meet it.

If ...

They work hard to achieve their best.

A child receives a **merit**. This is written, or a sticker placed in their work, to indicate achievement and recorded on the child's **merit card**. Achieving 10 merits means they are awarded a **merit certificate**. (in class)

If ...

They show respect and demonstrate British Values.

They follow instructions & guidance.

They take care of property.

A child receives a **team point**.. The points are collected on a Friday and the winning team is celebrated in the Friday assembly.

Rewards.

At the end of every term we will celebrate children's consistent achievement of the expectations.

Each new term is an opportunity for children to receive a certificate for doing this; meaning they could receive 6 certificates over the course of a year!

Other Information

Behaviour

We are proud of the Good Behaviour of children in our school! If a child is not meeting our 4 expectations there are specific sanctions and support procedures in our behaviour policy that are used to support improvement. If the child does not respond at the early stages of intervention, parents are informed and we work to ensure they improve, or progress through further sanctions if necessary. We are committed to improving inappropriate behaviour but, ultimately, we will place the needs of the hard working and well behaved majority over an individual who does not comply. For further information and please see our Behaviour and Anti-bullying Policy on the school website.

Curriculum Concerns

If you are concerned that your child cannot take part in an activity or lesson for health or other reasons please contact the school to let us know and discuss this with you.

If you wish your child to be excluded from aspects of RE, Collective worship or Sex Education please write to the Headteacher or Governing body of the school.

Jewellery. Most of the procedures below exist to ensure your child stays healthy and safe at school.

If children have pierced ears, they may wear studs in school but we ask them to be removed for PE (or plasters to be provided if ears have been recently pierced). It is best if they are not worn on PE days, as it saves children having to remove them and keep them safe. Unfortunately we are not able to put earrings back in for children.

No other Jewellery should be worn in school. Rings and chains can catch and hurt others at play or can hurt the wearer if they are caught on something or squashed.

Property

- * We ask children not to bring in belongings that are valuable or important to them into school. This is so that children don't run the risk of them being damaged. Occasionally the class teacher may ask children to bring examples in to school to share with others as part of their curriculum work. In these cases items will be kept safely in the classrooms.
- * Mobile phones should not be in school. They are expensive, easy to damage.
- * Aerosols and pressurised containers should not be brought into school. If deodorant is needed then roll on type may be brought for PE lessons.

We **don't** want children to be ok. We want them to **be amazing**! So we need your support with:

- ★ Reading at home: (Minimum 3 times a week)
- ★ Regular practicing of times/multiplication tables (if they're not secure to 12 x 12).
- ★ Completing homework
- ★ Learning Spellings

Children who don't get this support at home will have extra support at lunchtimes in school because [#KillamarshCares!](#)

As parents you can also get involved and help in the following ways

- ➡ After School Clubs*
- ➡ Educational Visits and Trips
- ➡ Voluntary Classroom assistant*
- ➡ PTA meetings
- ➡ Support for PTA events (Discos and Fairs)
- ➡ 'Work Share' sessions

* Helping in these ways will usually require Barred List clearance for working with children. Please see the office for details.

Homework is a great way to support your child and keep in touch with what they are learning. It will vary at times in the year but on average will be as follows:

Year 3/4 Up to 1 ½ hours homework per week. In addition to reading children learn or investigate spelling patterns & rules and have weekly English & Maths homework. They also have occasional tasks in other subjects.

Year 5 Up to 2 ½ hours per week including reading and spelling investigation/ learning.
Tasks continue to focus on English & Maths but also includes other curriculum areas.

Year 6 Up to 2 ½ hours per week including reading and spelling investigation/ learning. Tasks continue to focus on English and Maths but also include Science and other curriculum areas. Additional Booster homework may be set weekly during the year.

PTA

The PTA organises various events to raise money for resources, equipment and projects for the School Improvement. They play a big part in supporting our children and we are very grateful to them. Discos, Easter events, Christmas and Summer Fayres are just some of the ways that they encourage children to have fun whilst raising money.

Over the last few years they have

- ★ Paid for a new curriculum and outdoor resources
- ★ Educational school visits
- ★ Bought the new Home/School diaries and water bottles

If you can help the PTA by supporting events or joining the planning meetings please see Melissa Turner or let us know at the school office

Roles and Responsibilities

There are many roles for children to take in our school. In doing so they have the chance to complete applications, go through interviews and take part in training for what the roles entail.

The process and roles help them develop valuable enterprise skills and examples include:

- | | |
|------------------------|-----------------------|
| ➡ Tuck shop managers | ➡ Art Ambassadors |
| ➡ Computer Ambassadors | ➡ School Guides |
| ➡ Science Ambassadors | ➡ Mini-Play Leaders |
| ➡ Assembly Monitors | ➡ Post Office workers |
| ➡ Team Point Analysts | |

Parents & Carers

Parent's Coffee Morning

Several times a year we hold a coffee morning for parents. Its an opportunity to come into school, meet with each other and the Headteacher for a drink and share ideas to keep our work effective for children. These mornings are relaxed and a great opportunity to give feedback to the school from yourself and your children.

Enterprise events

Events such as Killamarsh and Beyond Airways, Art Gallery, Fund raising events and Parent's Skill Sharing sessions are all opportunities for parents to share in children's learning whilst the children develop enterprise and life skills.

Don't forget Key Policies and important

information are placed on our school website. If you have any queries about these or school practice please get in touch and we'll be happy to help.

Your voice is vital so please keep in touch with us to ensure Killamarsh Junior School is the excellent school the community deserves!
